## Glass Reflections

### President's Message

We are getting closer to Corvette Time again this year. Since this winter has been pretty mild, it makes us want to get our Vettes out more often than usual. Thanks to Linda Ogle and Joyce Cryer for stepping forward to have the St. Patrick's Day treats for our monthly meeting in March. THANKS!!!

Be sure to mark your calendars for the Dinner Dash on Saturday, April 22nd at Mission BBQ in Peoria. The plans are to leave from behind Red Lobster in Champaign at 9:00 am SHARP. This was a very good time last year and the manager was happy about us making the trip to again this year. Make sure your email and phone number are current on our rosters. If you have a change on either of these items you can email me at [dug.hanner@gmail.com](mailto:dug.hanner@gmail.com) or call me at 217-369-5868. CHECK OUT THE ATTACHED FLYER!!!

If you have not left a Good Review for the Club Outing at Silver Creek you can still do that on their Facebook Site. Thanks again to Joyce for setting up this Fun Event.

This year the Christie Clinic Race weekend is April 27<sup>th</sup> to April 29<sup>th</sup> in Urbana, Illinois. We are scheduled to have a hydration station again this year. I wanted to THANK all the previous volunteers that have helped through all the years. We need to have 25 volunteers this year.

CHECK OUT THE ATTACHED FLYER FOR INFORMATION!!!

Here is the website to sign-up for Bloomington Gold on June 2-3. All you will have to do is tell them you are a member of the Corvette Club of Illinois for the Club parking area. The plans are to caravan from Champaign to Bloomington on Saturday June 3<sup>rd</sup>. I will be getting the final plans for the caravan in the next newsletter.

If you are trying to plan your outings for this summer, the Board of Directors are completing a Calendar of Events, if you know of any car shows, cruise-ins, charity events, dinner dashes, or any other fun stuff for club members, please contact one of the Board of Directors. THANKS!!!

I want to again welcome Gordon Green, as he has graciously volunteered to work with the Club Website. If any members hear of a car show/display or cruise-in for 2023 you can email me at [dug.hanner@gmail.com](mailto:dug.hanner@gmail.com) or call (217) 369-5868. You can also get in touch with one of the Board of Directors. You can add events to the Club's website [www.ccofi.org](http://www.ccofi.org). Midwest Region is not the largest as far as clubs go. Midwest has 28 clubs with the West Coast Region being the largest with 30 clubs. Midwest is still the largest for total members with 2,347. The largest club in our region is still Route 66 with 176 members. We have 151 members. There was some discussion on establishing region dues of maybe a dollar or two. FYI, our dues are in line with most of the other clubs in the region. The dues for Crossroads Corvettes in Chicago are \$275.00.

There are 83 people signed up for the Banquet in Madison, Wisconsin on March 25<sup>th</sup>. Gordon and Sandy Green will be attending along with Tom and Linda.

Everyone should have their new membership card. If not, please let Tom know.

Insurance premium went down this year by \$3,500.00. There is a new waiver that we need to use and can get it off the website. There are some changes in the language. Everyone must sign the waiver themselves. This is due to a \$1.4 million lawsuit against NCCC. The plaintiff is alleging the signature on the waiver is not his.

The First Autocross will be in South Bend, Indiana at Tire Rack April 15<sup>th</sup> and 16<sup>th</sup>.

The Fundraiser will be at Rantoul Memorial Day weekend: May 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup>. Always can use help on this weekend.

April 29<sup>th</sup> 6:30 am to 10:30 am

This is to get the 25 volunteers that we need for our hydration station on April 29<sup>th</sup> from 6:30 am to 10:30 am.

This Club has been involved with this great event from the first year. It is a little work, but very much appreciated by the people in charge, the runners, and of course the community.

I will send out the link to everyone with a special email to make sure that everyone has a chance to volunteer.

If you have any questions, please call me at (217) 369-5868 or email at [dug.hanner@gmail.com](mailto:dug.hanner@gmail.com).

THANKS in advance for any help on this matter.

### An interview with Club members Mark Williams

By Carol Castellon

Mark first drove a Corvette at age 17. In high school, he liked to hang out at a Shell gas station owned by his friend's father. Leon's dad bought a '62 red Corvette and let Mark drive it. Mark decided to drive it home to show his parents. His mother was hanging out laundry, and saw him drive in, and yelled "Take That Back!" Then added in a threatening voice, "Your dad will be home soon!" It would be several years later before Mark had his own Corvette.

When Mark and Mary decided to get a Corvette, Mark wanted a red one, but Mary wanted the color "Black Rose." The agreement was that they would get Black Rose this time, and the next one would be red. They found their '92 Black Rose Coupe in Charleston in 1995, and drove it until 2019. Mark had no trouble selling it, a neighbor had asked to buy it for years, every time he saw it in Mark's driveway, so was happy when Mark sold it to him. Mark said the neighbor is still driving it.

Mark finally got his red Corvette in 2019 ... a '19 Grand Sport in Torch Red, from Leeman's in Bloomington, that he saw online.

When Mark had his '92 serviced at Sullivan's, he met Dave Rich, who told him about the Club. The first meeting they came to, they saw John & Connie Strehlow ... Connie worked with Mary. They liked the Club and joined.

Mark and Mary had gone to the NCM and Funfest even before joining the Club.

They've been to Bloomington Gold in Springfield, St Charles, Champaign, and Mark particularly enjoyed driving the cars for sale at the Mecum Auto Auction when BG was held in Champaign. Mark drove a '61 across the auction, stopped and turned it off as instructed. When he needed to drive it off, the car wouldn't start. It belonged to Mecum and had a problem they knew about ... it didn't sell.

Some of Mark's favorite Club events included going to NCM when Ray Quinlan was inducted, dinner cruises, and when DAR had a reception for the veterans at a meeting. You can see from the picture that he enjoyed driving in the Hoopston parade! He has no ambition to be an officer, saying "everyone is doing a fine job." He appreciates that many members do lots of work to keep the club going. He is concerned that our data base has older people, and is worried that we don't have many young people in the Club. "But," he added, "young people can't afford a new Corvette!"

An interview with Club members Mark Williams *continued*

By Carol Castellon

Mark moved to Urbana 45 years ago so his son could attend Wiley School. That school had a good reputation at that time. It closed after he moved here, and his son attended Yankee Ridge School. Mark retired in March 2006 and his wife Mary retired in November the same year.

Mark grew up in Decatur, graduating in 1963 from McArthur HS. At that time, there were 5 high schools in Decatur and lots of young people! After HS, he started working for AT&T until he was drafted. He was sent to Frankfurt Germany, working for the Inspector General's Team. When he got to Germany, he "committed the biggest sin" ... he volunteered for something! When the commander asked if anyone could type, Mark raised his hand and volunteered. At that time, the typewriters were the old mechanical type, not electric. He got the job with the 3<sup>rd</sup> Armored Division, working for the Senior NCO's who really ran the Army. In 13 months, he was an NCO. He went to Combat Engineering School Fort Leonard Wood in 1965 building bridges.

After his military service, he went back to Decatur, but wasn't able to work for AT&T, came to Champaign and worked for Ill Bell. In 1984, AT&T was broken up into smaller companies, he then went to the Interstate Research Park working for the networks and business section of the company. When AT&T switched to a computers business, he went too, first working for Olivetti, which got involved in Unix operating systems at the time, when the University of Illinois was their biggest client. Then he switched to NCR, actually a computer company who got lots of government contracts. An NCR office in Danville inherited Mark. After 37 years, there was a retirement incentive. He ended up going to Bloomington and worked for State Farm, also did some work for Caterpillar. In 2000, he retired, but then stayed another seven years "getting paid more than I was worth." It is a 56-mile commute from his house to the State Farm Office in Bloomington, so he was glad to retire and end that long commute.

He lost Mary in 2017, but has stayed active in the Club, and likes driving his Grand Sport. In retirement, he has made furniture and clocks. He enjoys being with his family; he has a son Paul and daughter in law Debbie and grandchildren Hayden and Emerson.

This will be a great chance to do some socializing with other club members and order from a complete BBQ menu at a good restaurant. I talked with the manager and everything is good to go for our group to have some great BBQ and catch up on gossip after this long winter.

We will leave from behind the Red Lobster in Champaign at 9:00 am SHARP, travel west on I-74 to the rest area just west of Farmer City for a short pit stop and possibly pick up some more club members. We will then caravan to Mission BBQ with plans to be there around their opening time of 11:00 am. This restaurant is honoring all military and first responders.

You can check out their website ([www.mission-bbq.com](http://www.mission-bbq.com)) for their menu.

As the club is scheduled to take a dinner – dash to Mission BBQ on April 22, thought it would be good to take a look at Mission BBQ and their menu prior to our trip.

Mission BBQ began operation on September 11, 2011.

Currently they have restaurants in 18 states with six in Illinois.

Mission BBQ was started by two friends with a passion and study of BBQ, who shared great patriotism for our country, serving and honoring those who served us.

Restaurant décor is patriotic with a daily salute to the Stars and Stripes at lunchtime.

Mission also “Gives Back” to many national and local military and first responder organizations.

Their BBQ menu includes brisket, pork, turkey, chicken, and sausage, available as an entrée or as a sandwich. Ribs are also available as well as a salmon choice. Salads and numerous tasty sides are on the menu. Beverages are “family friendly”.

Please visit their web site for the Peoria location to view the entire menu.

This way you can see in advance what we will experience on April 22.

Looking forward to seeing many club members on this great dinner – dash.

Please make your suggestions and recommendations for submission to “A Fork on the Road”, to Barry Wagner ([bkwagner@illinois.edu](mailto:bkwagner@illinois.edu)) 217-356-9961

### DOUG’S TECH TIP

If you have not checked your batteries in your FOBs or your Corvette’s battery in a while, this would be a good time to check them out before this Corvette Summer starts. With all the electronics in your Corvette, if there happens to be low voltage on any of these batteries you could get stranded. It is better to change your battery now to avoid a big tow bill later.

# Road Trip to Branson

This trip will include a scenic drive to beautiful Eureka Springs, a day at Top of the Rock, 2 musical shows, and a dinner cruise on the Branson Belle Showboat. Free time is also on the agenda to explore Branson as you wish!

Please let us know if you'd like to join us on this adventure. We need to get our lodging and show tickets reserved as soon as possible! More details will be made available once we know how many will be in our group.

Please contact Jody Retter at 309-824-6648 or [jodyretter@yahoo.com](mailto:jodyretter@yahoo.com) with any questions you might have.
