## Glass Reflections

### President's Message

All the 4<sup>th</sup> of July festivities will be over when you read this newsletter. I am hoping that everyone had a safe and fun 4<sup>th</sup>. We will have participated in at least Rantoul and Champaign Parades hopefully with no problems or overheating of our Corvettes and especially members not getting overheated at the parades or the fireworks displays.

THANKS IN ADVANCE FOR EVERYONES HELP ON THE PARADES!!!

We had a good attendance of members for Bloomington Gold back in Bloomington. There is definitely some growing pains with this new venue, but I think that they will get worked out in a year. We had good weather and the parking area for the clubs was really close to everything. This could be a fun event for all.

The Dinner Dash to Motorheads in Springfield was a big success with good food and plenty of memorabilia to see. You could almost say that all the stuff could be in a museum. I will go out on a limb and say this will not be the first and last time we take a group to Motorheads. Thanks to Barry and Debby for setting up this dinner dash.

I want take this opportunity to thank all members for their continued support of the Board of Directors and the Corvette Club of Illinois. This is the reason our club always has a good turn-out for our events. THANKS TO ALL MEMBERS!!!

Let's all be looking out for car shows and cruise-ins for 2022. If any members hear of a car show/display or cruise-in you can email me at [dug.hanner@gmail.com](mailto:dug.hanner@gmail.com) or call 217-369-5868. You can also get in touch with one of the Board of Directors. You can also add events to the Club's website [www.ccofi.org](http://www.ccofi.org). Steve Tribble does a great job of keeping the website up to date for all members to keep in the know. If you have any flyers from other shows and events bring them to the meeting or email them to Steve Tribble ([s.tribble@frontier.com](mailto:s.tribble@frontier.com)). New ideas or new events can be talked about at any meeting or just get in touch with one of the Board of Directors. THANKS STEVE!!!

The Fall Corvette Adventures will be held September 9 – 11, 2022. The hotel is \$145.00/night and you must register for a room at the hotel before you can register for the tours.

Ken Guyette presented the information for Special Olympics Family Festival to be held at Lakeland College on September 17<sup>th</sup> at 9:00 a.m. This is a very special event with approximately 800 athletes in attendance. They need 10 cars for the shortest parade route (100 yds.). We will have a special area to park our Corvettes. We will then man a game tent for the athletes. This is early enough that if you want to attend FunFest also, you will have plenty of time.

Corvette FunFest will be held September 17<sup>th</sup> at Effingham. Registration is \$16.75 per car and the dinner on Saturday evening is \$10.00/person.

There will be a car show on Sunday, June 19<sup>th</sup> at Meadowbrook Church from 10:00 a.m. to 12:30 p.m.

The Little Nugget in Danville will have a car show on Sunday, June 19<sup>th</sup> starting at 11:00 a.m.

**Old Business:**

There were 14 cars that caravanned to Bloomington Gold on Saturday, June 11<sup>th</sup>, and a total of 27 cars from the club were there. The consensus was that it wasn't bad for their first year back in Bloomington.

We had 9 cars caravan to Motorheads on June 12<sup>th</sup>, with Larry Flessner meeting us there. We had a great time and great food. Thank you to Larry for helping us park our cars.

**New Business:**

Since it was Flag Day, Carol Castellon, talked on the story of how the 50 star flag came to be. It was very interesting and informative.

There will be a 4<sup>th</sup> of July Parade in Rantoul, with starting time 9:30 a.m. This is a parade you can throw candy. Details will be forwarded when they become available.

The Champaign Freedom Celebration Parade will also be held and starts at 11:05 a.m. We need 6 cars for DAR members to ride in. You cannot throw candy in this parade.

St. Joseph Festival will be held on Saturday, August 13<sup>th</sup> and there will be a parade. We will get information to you.

Westville Labor Day Parade will be held on Monday, September 5<sup>th</sup>. We will need 13 cars. More information will be coming.

Dwight Hooker told us about his son, Nathan who is in the National Guard and is a cemetery representative at the Abraham Lincoln National Cemetery in Elwood, IL. He was nominated for National Cemetery Administration employee of the quarter for saving the life of a woman who had collapsed and was not breathing. He immediately started CPR and was able to bring her back and kept her calm until the paramedics arrived. Though he didn't win the award, he is still a winner and a hero.

Former member, Gunner Taylor passed away in March and his wife, Shirley, is wanting to sell his two Red Corvette Coupes: 1968 & 1992.

**Corvette Chat**

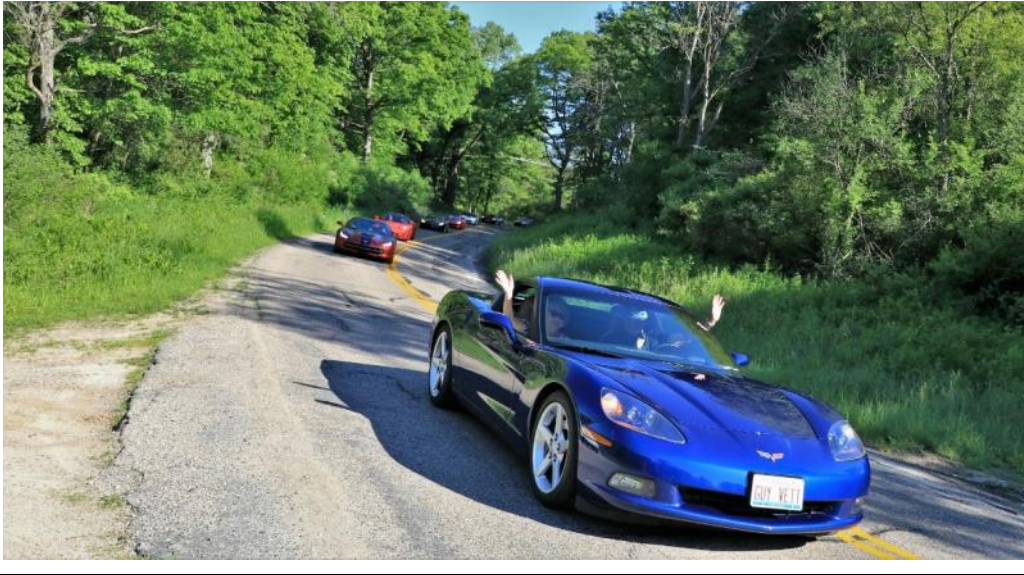

Rich Lampo has a question about C-6 harmonic balancers starting to wobble and/or chirping. He was advised to have them changed. They did have to install a new bolt.

Be sure and check your tires for wear and tear. One of the members checked theirs and found the cord showing on a tire.

**50/50** - \$101.00 – Max Mitchell

**Motion to adjourn-** Made by George Dick, seconded by DeLora Hanner. Motion carried.

The meeting was adjourned at 8:00 p.m.

## Corvette Club of Illinois 2022 Road Rallye

Can you just imagine driving all over Champaign County looking for landmarks, and answering silly questions with instructions that are coded and will take some brains to figure out? Well, get ready for the road rallye that you won't want to miss. For every landmark you find or question you answer correctly, you earn points, and the 3 teams that get the most points will win prizes.

We will be doing this on Sunday, July 31st, starting at 1:30 with a Drivers meeting in the Farm & Fleet parking lot and ending at Special Place at 5:00 for awards and a food truck will be available to get something to eat.

Entry fee will be \$20.00 per car/team, with proceeds going to our charity account. Entry fee will be collected at the Club's July meeting and the day of the Rallye.

The highest point team will win \$50.00, second place \$30.00, and third place \$20.00.

This event is a non-sanctioned NCCC event for points, but all participants will need to sign a waiver.

Contact Tom McKinley (217-493-0586) or Ken Guyette (248-880-4952) to get on the list of teams participating. We would appreciate knowing if you're planning to participate as soon as possible to know how many teams we will have.

**Bloomington Gold 2022 in Normal, IL**

Bloomington Gold celebrated its 50th event June 10-11 by returning to Normal after 20+ years away from the Bloomington-Normal area, where it all began. The campus of Illinois State University provided the backdrop for the Granddaddy of Corvette shows. All activities were located within easy walking distance of one another. Certification judging was held indoors on the floor of Redbird Arena. Vendors and Gold Members set up shop in the adjacent Horton Fieldhouse. The swap meet, additional vendors, and dealers were in between the buildings. The Gold Collection was a 1 block walk or a short shuttle ride away from the main show area while the club and spectator parking lots were located even closer to the main show area.

Bloomington-Normal is very glad to have the show back in town and is looking for an even better show with more attendees next year.

## New Events for the Corvette Club of Illinois

### August 13, 2022 St. Joseph Parade and Fair

On August 13, St Joseph will be having its City Fair and Parade. Last year we had 11 Corvettes in the parade. More information will be coming out soon. Please let Ken Guyette (248-880-4952) know if you are available to drive in the parade.

### September 17, 2022

### Special Olympics Family Festival

Lake Land College, Mattoon

8:30 a.m. – 2 p.m.

On September 17, 2022, the Central Illinois Special Olympics (Region 1) is having its Family Festival. The Corvette Club of Illinois will be an integral part of this very special event by participating in the parade, displaying our cars and volunteering to work a game tent. It is estimated that there will be about 800 athletes, 800 friends-for-a-day escorts, and some 400 volunteers at this event. This festival event features sports activities, fun games, singing and dancing, performances by local entertainers, exhibitions and a free lunch. This is a very rewarding day when you see the reaction of the participants.

I need at least 10 cars to support this event so please contact Ken Guyette 217-954-1411 if you can help  
P.S. You will still have all afternoon to be available to go to Fun Fest, you will be able to leave Family Fest by 12:00

**TECH TIP:**

If you are hearing some grinding or squeaking in the rear of your C6 Corvette, there might be an easy fix. One of my friends from Indiana bought a 2007 Corvette with about 40,000 miles on it. He was getting these sounds and we thought that it was a wheel bearing, not true. He took his "07" to a local auto shop and they said all wheel bearings were fine. He then took it to a local Chevrolet dealer and they determined it needed to have the trans-axle gear oil changed with new and additive. This completely fixed the problem, so if you get these symptoms try changing your gear oil.

Terry and Sharon Pearson and Tom & Nancy Burgess visited the Corvette Museum and Factory in Bowling Green in June.

<https://www.moonshineillinois.com>

While some CCI members have been here before, it is absolutely worth bringing the subject again.

The original store started in 1889, burnt down and was re-built in 1912, next to where the original building stood. It started as a grocery store, as well as a gathering place for farmers and oil field workers to come for lunch. Today the Moonshine Store is owned and operated by Roy Lee and Helen Tuttle, along with family and friends. (one of the family members is said to own a Corvette).

In addition to the “Moonburger”, other sandwiches are offered, as well as chips and cold drinks, plus Moonshine souvineers. The old general store’s atmosphere is a unique experience and a true piece of history.

The name “Moonshine” came from seeing the reflection of the moon in a puddle of water in front of the store.

The Moonshine Store has been featured on numerous national television shows as well as magazine articles.

## An interview with Club members Dwight and Terri Hooker

By Carol Castellon

Have you ever counted the number of cars you've owned? Dwight has loved cars since he was a teen and has owned 36, starting with a '57 Chevy 9-passenger station wagon.

Dwight doesn't recall when he first starting wanting a Corvette, maybe after his father died. In 2010, he bought an '02 convertible online from Milwaukee. Then he bought a '14 coupe online from Chicago. A few days ago, he traded it for a 2019 Elkhart Lake blue convertible from Iowa, after looking for one for awhile. He looks online at Autotrader first, then other sights.

He learned about the Club from Dave Rich at Sullivan-Parkhill, and has been a member since 2012, a year before Bloomington Gold was in Champaign. He has been a Trustee for 3 years, and has done the 50/50 a few times for the Club.

They have been to Bloomington Gold, loved the Hannibal trips, Tail of the Dragon trip, NCM, and enjoyed the Steve Brown Memorial trips to Dewey's. He and Terri had to leave the Tail of the Dragon trip early after finding out a close friend had died. One of their favorite activities is helping with the Illinois Marathon water station. He thinks trips to Milwaukee and Detroit are always fun because there is so much car knowledge and history there. While at the Lingenfelder Museum, Terri and Deb Lammler had gone shopping, so he and John Lammler were waiting there alone and got a private showing, plus the staff offered to take them for a drive in some of the cars! One of Dwight's favorite memories was driving 5 cars across the auction block at the Mecum auction at Bloomington Gold when it was in Champaign.

He thinks the Club's biggest asset is the senior members who have so much knowledge about Corvettes. If you call with a question, they'll be able to help you! He said he has learned from Doug Hanner, Ray Gonzalez, Barry Wagner, and several others. I mentioned to him that Club members even help you find a car to buy if you ask them!

Dwight graduated from Unity HS in 1975. His first job was as a "lot boy" and courtesy driver for Ted Chrisman Lincoln Mercury in Urbana. He bought a new 1976 Mercury Cougar there at age 16. I asked him if he got a good deal and he said he had thought he did but he was only 16 and what does a kid know about good deals! He then worked for SuperValue for 38½ years. He used to collect farm toys, but now he says he collects real cars! They both became interested in antiques after acquiring antiques from his parent's estate.

He met Terri on a bus trip to a St. Louis Cardinal's game – a fan appreciation day the last weekend of the season. They were married on June 15, 1985. They have a daughter, Natalie, who has been teaching English in South Korea for 8 years. Their son, Nathan is in the National Guard, and was deployed to Afghanistan in 2016 and will be going to Guantanamo Bay in January. They have two more grown children, Nklolus and Linnsey, and have 4 grandchildren, 2 boys and 2 girls.

An interview with Club members Dwight and Terri Hooker *continued*

By Carol Castellon

Terri graduated from Bellflower HS, then graduated from EIU and taught PE at Blue Ridge School district for 35 years, retiring in 2013. She loves to sew, crochet, and travel. She and Dwight went to South Korea to visit their daughter, but would love to take other trips in the USA. They had a fabulous trip to San Francisco and many trips to Vegas. Terri shares the same birthday as their youngest grandchild, Griffin. They go every Friday to Chicago to babysit him. Dwight takes him a Hot Wheels car on every visit and

they talk about the tires, motor, etc. then they sit in their car and watch different cars go by trying to tell what kind they are. Terri loves Griffin and he loves his grandma.

Dwight said he was recently asked by his nephew to perform his marriage ceremony at their wedding. Terri laughed and said that Dwight is now an ordained minister ... so our single members can keep that in mind in case they want to get married! Our Club certainly has a variety of talents!
