## Glass Reflections

### President's Message

Corvette Adventures is over for another year. Our club had such a Great Attendance that we won the award for the most members from the same club. Next year we will get a free 2-night stay at the Villa on the Golf Course for some members. I will be getting more information on this big award in the coming months, just as soon as I get this information, I will explain how this will be used by next year's attendees. THANKS!!!

Sorry that Delora and I missed the May meeting, but we were at the Wisconsin Dells getting set up for the rest of the members to arrive. We went up early to see what we had to do to lead the two Road Tours that I volunteered to lead to help Ed and Barb out for all the stuff they did to help us celebrate our 50<sup>th</sup> Anniversary. If you have never led a group of people on a tour on roads that you are not familiar with, and bad directions from Google Maps, it is so difficult to say the least. We did the best we could to complete the road tour to the best of our ability. You can bet that we will never lead again without the proper maps and instructions. Thanks to everyone who was patient with Delora and I.

We are still working on a day at the gun range. Art Rapp has graciously taken lead to get the gun range at St. Joe's Sportsman's Club to do a little practicing with our guns. There is also a chance to shoot a little Skeet and Trap Shooting if there is enough interest. If you would like to do some Skeet or Trap Shooting, please email me at [dug.hanner@gmail.com](mailto:dug.hanner@gmail.com) or call 217-369-5868.

Thanks to everyone who participated in the Rantoul 4<sup>th</sup> of July Parade in Rantoul. It looked like everyone had a good time and there was definitely a lot of candy thrown.

The Car Show and Cruise-In Season has started with a Big Bang after being vary sparce last year. If any members hear of a Car Show/Display or Cruise-In you can email me at [dug.hanner@gmail.com](mailto:dug.hanner@gmail.com) or call 217-369-5868. You can also get in touch with one of the Board of Directors. You can also add events to the Club's website [www.ccofi.org](http://www.ccofi.org). Steve Tribble does a Great Job of keeping the Website up to date for all members to keep in the know. If you have any flyers from other shows and events bring the E m to the meeting or email them to Steve Tribble ([s.tribble@frontier.com](mailto:s.tribble@frontier.com)). New ideas or events can be talked about at any meeting or just get in touch with one of the Board of Directors. THANKS STEVE!!!

This will be from 9:00 a.m. to 4:00 p.m. (Eastern Time). We are looking at going up on Saturday and staying at a hotel 20 miles from the site. More information will be coming.

The Club has been given a donation of numerous collectible Corvette model cars, as well as some Illini clothing from Shirley Wiese, wife of the late former member, Jerry Weise. Her intent was that the club sell these items and the proceeds placed in the club treasury. The model cars will be auctioned off by Champaign County Estates and Auctions in Urbana. This will be an on-line auction via the HiBID Auction Network that has market presence throughout Illinois and the country. We will send out notification of when the auction will be held for those interested. The adult Illini clothing was put on consignment with Karen's Klose in Champaign. They will keep them on consignment for 6 months.

### TECH TIP

Barry had a thought about doing a video or taking a picture of a problem that you might be having with your Corvette or other rides before you take them in to get the service work done. Everyone knows that the issue is not usually exhibited when you get to the service department, this will give you some evidence to help identify the problem.

## An Interview with Club members Linda &amp; Bob Ogle

By Carol Castellon

If you were wondering about the couple pictured on the cover of our current calendar, they are 51-year members Linda & Bob Ogle. As the only charter members of the Club who are still current members, their membership began in May 1970 when they helped organize the Corvette Club of Illinois. Linda had a picture

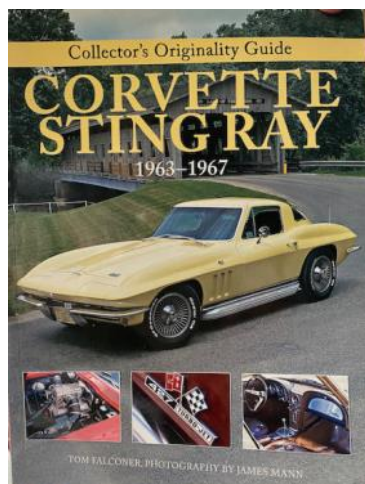

taken at the very first meeting of the Club. The 5 Corvettes pictured belonged to: Dennis & Sally Hecker (both deceased), Jim Pohlig (deceased), Mike Wood (lives in NC), Dave Morris (lives in Monticello) and the Ogles. They requested the name "Central Illinois Corvette Club" but that name was already taken, so they chose "Corvette Club of Illinois."

Bob has served the Club as President, Vice President, and Governor, and Linda has served as Secretary, Treasurer, and Newsletter editor. Their stories about the early years of the Club are very interesting, as are some former members they knew: Elmer Lash, Ray Quinlan, Vernie Thomas, John Childs, and Dennis Gunning. Bob and Linda are founding members of the Corvette Museum. They also started the Club Christmas party in 1982, when Linda cooked all the food. There was always a white elephant gift exchange. Linda said she'd like to see our Club do an all-female road trip, perhaps to the Cake Bake Shop in Indy.

They bought their 1966 "Sunfire Yellow" coupe with black interior, 327-300, new from Sullivan Chevrolet When Bob was 21. It had been ordered in July 1965, but didn't come in until Halloween, during a strike at the factory. When the car was delivered, it didn't have a radio so Sullivan's installed one, a 1965 seat buckle had been hastily installed before leaving the factory, and the decal on the air cleaner was not placed correctly. They added knock-off wheels, but when Bob was driving 80 mph, one came off! They sold those original wheels. They also added the teak wheel, side pipes, and knock-off wheels.

Their '66 has been on the cover of one book, and featured inside another book. They entered Bloomington Gold and were awarded a Silver certificate. However, Dave Burroughs had read about the problems the mid-year models had and offered to re-rate them for Gold status, which they declined.

The '66 was Linda's main car when they first got it, so was used for getting groceries, and hauling kids (in the back). Linda tried to use a car seat with one daughter, but car seats were not designed for Corvettes so one hard stop sent the car seat forward, causing her daughter to hit her head. In 1966, car payments were \$90.95 and they paid off the car in 1 ½ years. Linda drove it in drags in TX when an oil pump broke, and another time an accelerator stuck during an autocross, which she said gave her a "depends" moment.

Bob ran road courses in Daytona, Dallas International, Charlotte, Indy, and Westville MO. All that was required to race in those days was a helmet. Bob has been involved with NHRA, NSRA, NCRS, Goodguys, Illini Collector Car Club, Metropolitan Club, Late-Great Chevy, Woody Club, Ford V-8 Club – whatever

car they had, they'd join that Club! He likes to do everything – autocross, rallies, shows, gas economy runs, conventions, and loves to attend swap meets where he sometimes sells.

They attended their first NCCC convention in St. Louis in 1971, when the Chairman of the Convention never showed up. It was normal for couples to bring their children to the Convention where there were many activities for kids – their daughter won the Big Wheel race! Kids always rode in the back of the Corvettes. Ogle's have attended many NCCC Conventions, including in 2019. They commented that Conventions used to have lots of vendors and were well-attended.

At one time, Bob had a 1962 white roadster with hardtop, but sold it when he went to active duty with IL National Guard. Four years ago, they bought a 2002 in Indiana, just to drive. They are very careful about taking out their '66 and never leave it unattended because it is "theft-prone."

Bob is a retired electrician, an Army Veteran, and a car nut all his life. Linda is a collector of Garfield's (the cat) which started when they moved to a house on Garfield Ave., and Hummel figurines, and likes sock monkeys (she even has a sock monkey tree).

The next time you see Bob and Linda at a meeting, give them a thanks for starting our Club!

## St. Joseph Community Festival

St Joseph Sports Complex

*Saturday August 14, 2021*

The city of St. Joseph has asked the Corvette Club of Illinois to be a part of this year's Community Festival.

Our day will start off with a parade through town starting at 2:00 p.m., with line up at the St. Joseph Middle School. After the parade, they have set aside a parking area for our Corvettes to be on display at the St. Joseph Sports complex (2007 E. Grand Ave).

At the festival they will have carnival rides, games, vendors and food. The American Legion will be having a fish fry starting at 4:00 p.m.

Please let Ken Guyette know if you can make it so he can let them know how much space we will need.

Thanks.

## An interview with Club members Dick &amp; Janice Lampe

By Carol Castellon

In 2007, Dick and Janice Lampe were looking for a classic car. At Gateway, they saw a red C4 convertible for sale online, but when they went to see the car, their reaction was "not the car." Then they noticed a '73 yellow stingray, and had it delivered in February.

That spring, they drove it to a car show in Wenona. What are the chances the couple parked next to them were from Champaign, and members of the club? Pam and Bob Weeks invited them to sit under their awning in the shade on that hot day. They told Lampes about the recent club trip to Bowling Green and invited them to join them as guests in 2008 on the club's next spring trip to Bowling Green. On that trip, the '73's fuel filter clogged, and Club members went and got a filter for them and installed it. They were so impressed by this help, that Dick and Janice joined the Club! They now have a 2015 yellow corvette stingray.

Living in Varna made it difficult for Dick and Janice to attend meetings regularly, and participate in some club activities and car shows near CU. However, they enjoyed the club trips to Mt. Rushmore/ Yellowstone and Colorado, and the trips to the NCM. They always came to the club Christmas Party and Annual Banquet. They parked cars at Hot Rod Power Tour for the club, and will help again next year. They organized several trips to Starved Rock State Park for the club. They recently moved to Ellsworth and will be more active now that they live closer to CU.

They love going to Bowling Green and were involved with the 25<sup>th</sup> Anniversary of the NCM.

They spearheaded the campaign for St. Jude at Corvette Adventures making about \$3000 which included selling 50/50 tickets at the Banquet. They helped raise funds for St Jude at Funfest too. They willingly help raise funds for St. Jude because that "makes them feel good."

Janice is a gifted singer, and the club connections allowed her to sing the National Anthem 3 times at Funfest at MidAmerica Motorworks.

Dick is a gifted in woodworking, and has made many wonderful wood products for the silent auction, benefiting the club charity. They both have been supporting members of the club!

Dick retired from Caterpillar, then worked for Eserv, and in retirement worked as maintenance man at a nursing home, and remodeled 15 rentals. He is past Commander of American Legion, served a Library Board Trustee for "quite a few years," and served as President of the Board of Directors at Tall Oaks Country Club. He started woodworking in 1961 and never stopped. He shared some recent projects with me – a wooden flag with the Pledge of Allegiance on it.

After 48 years, Janice retired from banking as a branch manager and mortgage lender. She has been involved in banking schools at Carbondale and Univ of Illinois. She is an avid golfer. She has been a Rotarian since 1985, when women were allowed to join, and served as President and was named a Paul Harris Fellow. She has served Taluca as VP of the Labor Day Celebration, was choir director of her church there. She enjoys scrapbooking, sewing, and crafts, but particularly enjoys spending time with her 5 grandchildren, ages 6-21.

On July 17, Dick and Janice will celebrate their 50<sup>th</sup> wedding anniversary, so put that on your calendar to send them a card! And remember to wish them Happy Anniversary at the next meeting!
