Glass Reflections

President's Message

There was GREAT weather for Fourth of July Parades and there were also plenty of kids to take our candy. Some of us had three parades on July 4th. That was a little busy, but we made it happen, like always. THANKS to everyone who participated this year.

We rescheduled the Club Picnic to Sunday, August 13th. Check out the flyer and the directions in this newsletter. This should to be an enjoyable time as always. Thanks to Larry, Jody, Dave, and Karen for coordinating this event.

We are just a little over a month away from our Annual Charity Golf Outing. Please check out the flyer for our golf outing. We need goody bag items, silent auction items, cart and hole sponsors, and golf teams. Any questions, please email or call one of the board of directors. THANKS IN ADVANCE for your HELP!!!

If you have not registered for Fun Fest yet, you still have time to do so. The best way to register is to call them direct at (217)540-4200 and be sure to tell them that you are a member of the Corvette Club of Illinois. Any questions, I am always available.

The Red Skelton Festival was a lot of fun and it was something new for our club members. We got to dress up a little bit to feel the clown inside us and as always, we found some good places to eat. Thanks to all who participated and especially Sharon Pearson for the suggestion to try this event.

Our Hannibal Trip this year was AWESOME. The weather was near perfect on Saturday, new friendships were made, trophies were won, shopping was GREAT, as always, and of course the food was good. Maybe we can get some new members to go next year so that we can win the biggest club again. THANKS to Sharon and Terry for planning this Great Corvette Outing!!!

If you want to make a trip to the National Corvette Museum, they are having a Vets for Vettes event on November 2-4. This will be a magnificent event for our veterans to attend. Check out their website at www.corvettemuseum.org for any questions. Dick and Janice Lampe are planning on attending this event. They can also answer questions. Dick's email address is nail1947@yahoo.com, or just give him a call at (815) 257-2382.

Bring the flyers from other shows and events to the meeting or email them to Steve Tribble (s.tribble@frontier.com). New ideas or new events can be talked about at any meeting or just get in touch with one of the board of directors.

SUGGESTED DINING LOCATIONS FROM CCI MEMBERS

THIS MONTH

MOON GLO BAR & GRILL
3124 PERRYSVILLE ROAD
DANVILLE, ILLINOIS 61834-5848
1-217-442-9519
(NO WEB SITE)

RESTAURANT HOURS:

Sunday-Saturday 11 a.m. to 10 p.m.

Located on the very far east side of Danville is a piece of Vermilion County history, the Moon Glo Bar & Grill. If one were to describe the Moon Glo, the words "road house", "dive", "old time supper club" would probably be used. However, do not let any of these descriptive words keep you from going to the Moon Glo. Inside, in addition to a full service bar, there are some great food offerings. While the menu is limited, the star of the show is the "Moon Burger". It's a huge burger, 3/4 to 1 lb. cooked weight. Other sandwiches are available such as chicken, tenderloin, fish, and ham and cheese. Sandwiches are \$6 each. Numerous fried sides are also available. The Moon Glo was one of the first places to have "cook your own" steaks that are available on weekends, along with a limited salad bar.

The Moon Glo has somewhat of a unique history. It was established in the 40's by a man named Willet, who was the father-in-law of Dick Van Dyke, from his first marriage. The Moon Glo was purchased in 1962 by the father of Phil Adams. Phil took over in 1982 for his father and continues to run the Moon Glo to this day. Character, ambiance, history, no frills, good food, and cold beer.

One cannot fully describe the Moon Glo. It's a place you have to experience.

Please make your suggestions and recommendations for submission to "A Fork on the Road", to Barry Wagner (bkwagner@illinois.edu) 217-356-9961.

DOUG'S TECH TIP

I know that it is some time before we put our Corvettes up for the winter, but just remember to use a battery tender, fill up your fuel tank, change your oil, and car covers are nice. Make sure that the air pressure in your tires is right. This should help to keep your tires from flat spotting. We hope we have a lot more time with our babies before this happens.

INK CARTRIDGES:

Please bring used printer ink cartridges to the meetings. This helps reduce the cost of the newsletter!

50TH ANNIVERSARY PROJECT **CALL FOR MATERIALS**

The Corvette Club of Illinois will be celebrating its 50th anniversary in the year 2020.

We are in the process of putting together an anniversary book highlighting the history and activities of the club throughout the 50 years. We **NEED YOUR HELP** to gather information for this book.

We are looking for pictures of club events, stories, either written or verbal of the beginning of the club and the ongoing activities over the years. Please look through your photo collection for any photos pertaining to the club.

Larry Warf, our club photographer, has agreed to help with this project. Your photos will be copied and returned to you. Photos can be prints, color or black and white, 35mm slides, and digital. Ideally we need to have information about the photos as to the activity, year, and names of people, year of Corvette, etc. in the photos. For any stories, please write them down on paper or if you prefer, we can set up an interview process to document the stories.

In addition to this request for materials, we need volunteers to serve on the Editorial Committee for this project. Needless to say, this is no small undertaking and will require a great deal of help from the membership.
